Sale Price \$2,395 with free shipping

We pride ourselves on making the highest quality AV systems available. These aren't the old TV Carts of the past. An AVRover is a fully configured, portable, ultra-secure and rugged enough to stand up to the hectic pace of a school environment.

It's always nice to share

Mobility saves! Share your technology investment between classrooms, conference rooms, gymnasiums, auditoriums, anywhere you like.

Make it your own

Customize your system to suit your needs. From drawers to computers to microphones and more, we offer a wide variety of options for you to choose from.

Teach where you want, the way you want.

- Adjustable image size and height
- Professional sound system
- Totally secure even when in use
- HDMI + Legacy Audio/Video Connections
- Shareable throughout your school
- Quick setup time
